Dear Mary

My G.G. Grandfather, Daniel Coats, was b. 14 Dec. 1806 in
Orangeburg District S.C.
d. 30 Nov. 1862 Vicksburg, MS.
he married a S.C. girl Eugenia Darvick b. Mar. 14, 1814 S.C.
d. here 30 Jan. 1896
in the home of her youngest son
James Buchanan Coats, my G. Grandfather
(my ~~father~~ sister still lives with her
husband and family in this Victorian house.

Daniel's older brother was
William Coats b. Dec. 1804 Orangeburg District, S.C.
he d. after 1850 perhaps in Jones County.
he married a S.C. girl Nancy Jane Kittrell b. 18 Feb. 1812
both couples came to Lauderdale County (Meridian)
later (ca. 1830) to Jones County (here ~~was~~ where we live)
family first, Williams later.

William Coats + Nancy Jane Kittrell's
Children were: Thomas Coats b. 1834 died in the Civil War.
Mary Coats b. 1836
Annie Coats b. 1838
Ellen Coats b. 1840
Eliza Jane Coats b. 18 Feb. 1842 d. 11 Aug. 1886
m. James Morgan Valentine

The above children were born in Lauderdale County —
Thomas Coats came to Jones Co. where he had
one son Jefferson Davis Coats. Since Thomas did
not return from the War, he still left descendants to
carry on his name. They live in Soso, Ms. proper.

2-

I have a very complete Coats record on
my line. I also have a large family of brothers,
Sisters, their families, etc.

None of my records show TABITHA COATS.
I do believe she was a sister of Daniel and
William or at least of ~~Cole~~ Close Coarson.
Also, marrying a Pittrell we might consider that
Nancy Jane was Close Kin to Nathaniel.

Thank you so much for this Pittrell
family record. I have searched all over for it!

Thank's for your help.

Your friend (as if forever)

Dear Mary,

I hope that you and your family enjoyed a Merry Christmas. I met with Jim Dawson a few days ago and made a copy of the family tree diagram. You have been busy! I received the enclosed information from Robert O. Kittrell (son of Franklin Thomas Kittrell and grandson of Isham Kittrell), and thought I'd share it with you. Robert lives here in Meridian.

As for my parents: My father was a Sgt. in the U.S. Army in WWII and was stationed in Belgium. He worked

Later, he sold cars at Consolidated Motor Lincoln-Mercury.
Afterward, he worked approx. 10 years at Meridian Naval

My mother grew up in Nacogdoches, Miss. She went

was an outstanding student. She worked as a nurse
at Rush Hospital in Meridian, and "private duty,"
as long as she was healthy. She was seldom "well",
having a miscarriage prior to my birth. She developed

Lauderdale Co. Schools

White Schools Beat 1 1879. Beat 1 was Meridian
and surrounding area.

HAWKINS (now part of East side of Meridian) - Grade one
E B KITRELL Trustee appointed 12/11/1879

KITRELL (IN Beat II Two) THE SECTION of the County.
J W KITRELL Trustee - appointed 2/11/1879
Grade Two.

These schools were handled as follows:

The PATRONS would get together - build a school -
furnish ALL supplies etc AND IN MANY CASES
PAY PART OR ALL of Teachers SALARY. The schools
were LOCATED yearly - AND the NAME of the
school CHANGED often - from year to year.

Fort Stephens School was on Kemper/Lauderdale
Co. Line - Later it was in Lauderdale Co.

White School Located 1880

E B KITRELL still Trustee of HAWKINS - in Beat ONE

Beat 3

HARRINGTON. Teacher S B Cooper - Contract 6/13/1880.
This school referred to as SPRING HILL on Cooper

Institute. One of the TRUSTEES was H. P HARRINGTON -
thus he had the school named after him for a year.

TUCKERS School - Teacher WILLIAM MOORE Contract
1/6/1880. EXACT LOCATION NOT KNOWN.

BEAT 2

HAWKINSfield - ER KITRELL TRUSTEE.

TUCKERS - WILLIAM MOORE TEACHER. CONTRACT 1/9/1882

(The next year 1883 the NAME WAS "MARTIN BOY SCHOOL"

HARRINGTON - THIS WAS LINE SCHOOL SERVING
STUDENTS IN KEMPER. DO NOT THINK IT WAS
COOPER INSTITUTE BUT IT NO DOUBT WAS NEAR
PRESENT DALEVILLE.

White Schools 1900-1901 (List of Teachers)

Cooper Institute - WALDO MOORE

NO KITRELL

Now to the List of Teachers for year 1886-87

In July 1887 J R KITRELL WAS PAID \$114.00
for Teaching School. But it does NOT mention name of
School. Will BACK TRACK to see if I CAN find NAME

Oh Goodness. Record that year left off a lot of info -
At the time of the Location of the Schools, info incomplete
on some School. Lets TAKE BEAT 2 (NE Section) & BEAT 3.

Rechecked for any POSSIBLE lead

In BEAT 2 there was CALVARY School with no info. also
WILLIAMS. In BEAT 3 Cool Springs with no info - also
BLACKMANS AND JOHNSONS

CONTINUING WITH ABOVE LIST

MISS LILLY MOORE PAID \$29.00

SO NOW we know they were Teaching in LAUDERDALE Co

In this same School year (There were most ALWAYS
Two periods of 4 months schooling)

J R Kitrell Paid $29.00 + 29.00 = 58.00$

MISS LILLY MOORE $81.00 + 29.00 = 110.00$

There were NO further Record of their Teaching
AFTER the School year 1886-87

Could be They then went to KEMPER

WAIT A MINUTE

White Teachers Examined in MAY 1887

PAID 50¢ Miss Lilly Moore - ENTERPRISE to WANITA BOX - WILL
ISSUE 2nd grade. She had already passed 1st grade
PROBABLY IN 1885 (HAVE NO RECORD ON 1885)

THE WANITA WAS THE POST OFFICE ENTERPRISE IS IN
CLARKE Co MS. JUST ACROSS THE LINE. APPARENTLY SHE
LIVED AT ENTERPRISE. I WILL EXPLORE 1880 Census
of CLARKE Co MS. - SHOULD give her PARENTS

J R KITRELL - Dakeville. He too paid 50¢ - was
issued 2nd grade Teaching Certificate. It says
'WILL issue' so date of issue later

He WAS LIVING AT Dakeville.

We STILL do NOT have the name school they taught
AT.

J R KITRELL ATTENDED A TEACHERS INSTITUTE in
JUNE 1887. He APPARENTLY gave a PRESENTATION
on GRAMMAR & COMPOSITION !! for 2nd grade level.
Miss Lilly Moore ALSO ATTENDED & ALONG WITH J R
WAS EXAMINED AT THE CLOSING INSTITUTE

J R also with two OTHER men held ARITHMETIC
discussions of difficult examples of percentages
while Lilly Moore helped with discussion on
M (math?) ARITHMETIC MODEL ANALYSIS for diagram

FROM THE WAY IT READS they both participated
in A number of INSTITUTES that year 1886-87

END of book. Went PAGE by PAGE
So, IT APPEARS THAT J R + Lilly left sometime
AFTER JUNE 1887

OUR MARRIAGE RECORDS do NOT reflect the MARRIAGE of
J R + Lilly - which most likely occurred in 1887 or 88. ??
It could be (the license) in the COURT HOUSE, QUITMAN
(CLARKE Co) MS. If Lilly lived in Enterprise - she was then
likely married there at her parents home I will check
on this.

Hickory Grove Cemetery - LIZELIA
Now, Lizelia is really old Daleville. It is located
just west of the 2nd Navy Base (not Air Force). The
NAVY Base was opened AFTER WWII. There was
no base of any kind there before. More later. Lizelia
is what GRACE KITRELL called Lizelia and it is
located west of present or new Daleville. Daleville
we think was moved on account of the School -
Cooper Institute or Cooper Normal College.
There is NOTHING AT Lizelia now but was
once huge farming lands.

PLAN to check further (LATER) School records. This takes lots of time - he around 1900. These ARE COUNTY School minutes that have NOT yet been indexed - NO FOR he was gone to Fred School 1892-1893 - WILL check the next book ANYWAY. He WAS NOT IN Co in 1900.

SINCE TABITHA COATS WAS WIFE of NATHANIEL + died by 1870 I wonder why she WAS NOT buried in Hickory Grove. She could have been. We must remember the difficult times after the CIVIL WAR. NO money for GRAVESTONES. The 1860 census will tell us if she WAS ALIVE in 1860.

I WILL plot NATHANIEL'S LAND on map for you. The 1880 census will give info re NATHANIEL still alive. ALSO remember it WAS in the 1880 before local people regained ANY control over their AFFAIRS + ousted the carpet bagger etc.

If your grand parents died in Kemper in 1894 then there is absolutely no chance of finding the record. The COURT house at Dabala burned A number of times - the last fire in 1910. The only old records are a 1854 x 1878 Landroll book.

BINNSVILLE RINGS A BELL HAVE SEEN IT SOMEWHERE.

The directions were possibly

TAKE Hwy #39 due NORTH of Marion. Then turn EAST on Hwy 16 toward SCOABA. You TURNED EAST on #16 AT DAKALB (PRESENT Co. SEAT) WHICH IS NOT FAR FROM Dadeville. SCOABA NE of DAKALB & 4 miles from ALA LINE. THE ROAD (#16) IS THE OLD GAINESVILLE (SUMTER Co. AL. NOT DOR) SCOABA ROAD WHICH IN THOSE DAYS WAS USED A LOT - THE ROAD FROM DAKALB to JACKSON MS WAS KNOWN AS THE JACKSON ROAD (MORE HISTORY!). I THINK I CAN PLAT THE APPROXIMATE LOCATION of BINNSVILLE. THE NAME FAIRVIEW ALSO RINGS A BELL. IT VERY POSSIBLY WAS ACTUALLY IN THE STATE of ALA. LOTS of people back then DIDN'T know if they were in AL or MS. HAVE FOUND THIS IN CHURCH HISTORIES etc. THEY DIDN'T PAY ANY ATTENTION to SUCH except the BAD GUYS who KNEW WHERE THE COUNTY & STATE LINES WERE.

THERE IS SOMETHING IN YOUR S&F NOT GIVING THE NAME of the SCHOOL - OF WAITING to MAKE TRIP. IF HE WAS MARRIED prior to his marriage to LILLY MOORE - THEN perhaps he had memories of his wife's death. JUST A THOUGHT. NO CHILDREN - DID THEY divorce? MAY BE GETTING OFF HAY RACK - BUT I REALLY LIKE to share my THOUGHTS with people I research for. THERE WAS SOMETHING IN J R CHILDHOOD OR EARLY YEARS THAT CAUSED him to NOT REFLECT ON IT

J W & MARTHA CHILDREN. FRANCES LEONORA WAS THE FIRST CHILD & 7/15/1861. APPARENTLY J R WAS ABOUT THE SECOND CHILD - SAY & 1863 - SO IN 1877 HE WAS 14-15 YEARS OLD, A BIT EARLY to MARRY - SO PERHAPS (IF THE J R WHO MD IN 1877 IS YOUR JR) HE WAS SON of J W by PREVIOUS MARRIAGE - WHOSE REAL MOTHER WAS DEAD - IF SO HE WAS OLDER. PURE SPECULATION. WHY WAS HE CLOSE TO THE TINSLEY'S - WAS HIS MOTHER A TINSLEY OR DID THE TINSLEYS FILL A VOID FOR J R.

YES THE LIZEBIA (OLD Dadeville) WAS WHERE SAMUEL DAKE THE PIONEER BROUGHT THE EARLIEST SETTLERS. NEAR BY WAS THE INDIAN VILLAGE COOSA

LIZEBIA IS ABOUT 2-3 miles WEST of PRESENT Dadeville.

Will see if I can plot the grave yard which is off
old Hwy 39 which is north of present 39

I think the Grave yard is in between the two
roads. The new 39 borders the Navy Base - The Church
probably on present Navy Land. You must understand
that communities such as Lizzelia (Back then) covered
rather large areas. It very possible one could see
church from the Mrs Tinsley's home. She perhaps
lived west of present Daleville - at Lizzelia
No Tinsley on 1870 Lauderdale Co Census

Land

There were a number of white men who came
into this area - lived & traded with the Indians.
Many were given land by the Indians & many m'd
Indians.

3132 STILL LATER AFTER THE TREATY of DANCING
RABBIT CREEK (MOXBEE Co MS) the government sold on
issued land grants to a number of people.
In 1833 Lauderdale Co became a Co in MS. Prior to
that it was part of Choctaw Indian Nation. But
MS became a state in 1817 (Coast & West part of

PRESENT MS. THE LAND CONSIDERED PART OF THE MS
Territory prior to 1833 - owned at one time by the
BRITISH - SPANISH AS WELL AS THE FRENCH.

AFTER 1833 people were supposed to come in
& REGISTER THEIR LAND WHERE THEY WOULD RECEIVE
A CLEAR TITLE. AFTER THE LAND WAS SURVEYED, MANY
DID NOT DO THIS. IT WAS AFTER THE CIVIL WAR THAT
ALL LAND CLAIMS WERE SETTLED. THE COURT RECORD ARE
FULL OF SUCH.

I WILL STUDY THE ORIGINAL LAND ENTRY BOOK SOON
AS I CAN - WHICH SHOULD REVEAL SOME INFO.

AS STATED ABOVE I THINK THE MOORE'S LIVED IN
CLARK CO MS. TO CHECK THIS.

I AM FAIRLY SURE THAT THE HICKORY GROVE CHURCH
& CEMETERY WAS ESTABLISHED AFTER SETTLERS CAME TO THE
AREA - THE FIRST CHURCH WAS NO DOUBT BUILT OF LOGS -
AND THE FIRST CHURCH WAS PERHAPS THE FIRST
SCHOOL. NOW THE CHURCH COULD HAVE BEEN THERE
WHEN YOUNG KITTRICK CAME.

COULD THE JOHN CHESTER KITTRICK YOU HAVE ON
JEROME SS ACTUALLY BE JAMES C KITTRICK - NO
JAMES C H 1875. PROBABLY A SON.

THE JOHN KITTRICK IN CIVIL WAR WAS THE
JOHN C.

YOUR 1840 CENSUS INFO NATHANIEL KITTRICK - CHILDREN
UNDER 5 (YES HAS 4 & A SET OF TWINS) MARRIED ABOUT
1834-1835-1836. COULD HAVE MD IN ALA, GA OR SC.

LILLY MOORE TEACHING IN 1886-87 SO COMPLETED
SCHOOL PRIOR TO THAT DATE AND FROM YOUR INFO WE
KNOW SHE WAS TEACHING IN 1888, ALSO 1891.

SHE APPARENTLY WENT BACK TO COLLEGE AT BINNSVILLE
AFTER SHE HAD TAUGHT FOR AWHILE AT FAIRVIEW. THEN
TAUGHT IN NESHOBAY CO MS 1892-93.

I WILL CHECK OUT NAMES OF THESE SCHOOLS. SOME I
THINK I CAN LOCATE. HAVE DOUBTS RE. KEMPER CO THO.
THEIR MARRIAGE (REV LILLY) HAD TO OCCUR IN 1893-94.

Hope I have answered most of the questions you presented.

WILL CONTINUE LATER:

BINNSVILLE WAS LOCATED IN THE EXTREME NE CORNER of Kemper Co. MS. It was NEAR the SUMTER Co. & LINE AS WELL AS the NORTHERN Co. MS LINE. IT WAS HIGH SCHOOL LEVEL. WENT TO LIVINGSTON, AL Today TO OBTAIN THIS INFO - PLUS CHECK FOR KITTRELLS. NO LUCK RE KITTRELLS. CHECKED WILLS - DEATHS - ORPHANS RECORD ETC. PLEASE SEE MAP ATTACHED

LILLY PROBABLY TAUGHT BEFORE SHE RECEIVED DEDUCE FROM FAIRVIEW OR SHE ATTENDED TO BRADON HER KNOWLEDGE. FOUND OUT THAT MANY OF FAIRVIEW WENT ON TO COLLEGE AT TROY, ALA.

DEAR MRS WINNARD,

THE SCHOOL WAS PONTA NOT PINTER. I THOUGHT THIS THE CASE. PONTA SCHOOL WAS A ^{FIRST} LOCATED IN THE SMALL AREA BETWEEN THE OLD HWY 39 + THE NEW TWO LANE HWY 39. PLEASE SEE MAP. THIS PONTA SCHOOL WAS LATER CONSOLIDATED WITH OTHERS SCHOOL + MOVED (SEE MAP) TO ANOTHER SITE + NAMED PONTA BECAUSE THIS PONTA SCHOOL WAS THE ONLY ONE IN THE GROUP THAT WAS ACCREDITED - IT IS NOW THE NORTH EAST HIGH SCHOOL.

HE NO DOUBT
ATTENDED
MRS
TINSLEY
PRIVATE
SCHOOL
ALSO

NO DOUBT THIS IS THE SCHOOL DR ETC ATTENDED THE SCHOOL HAD NOTHING TO DO WITH THE HICKORY GROVE CHURCH - I MEAN THAT THE CHURCH WAS NOT A SCHOOL TOO AS WAS THE CASE MOST GENERALLY BACK IN THAT PERIOD.

NOW KNOW THAT HICKORY GROVE CEMETERY WAS NOT MOVED. THE CHURCH WAS MOVED SINCE IT WAS ON LAND THE HAVY PURCHASED - BUT ACCORDING TO MRS M E ROGER, THE OWNER, NOT VERY FAR. THE MEMBERS FENCED A GOOD BIT AND THE OLD CHURCH WAS TORN DOWN AND A NEW CHURCH BUILT, IT STANDS TODAY NOT FAR FROM THE HAVY TOWN LAND LINE - NEAR NAVAL HOUSING AND STILL ACROSS THE ROAD FROM THE CEMETERY.

THE OLD HOUSE (TINSLEY'S) IS NOW ABOUT GONE. MRS ROGER DESCENDS FROM TINSLEY'S + HER GRAND FATHER LIVED IN THIS HOUSE + HE IS THE ONE WHO DONATED LAND FOR THE CHURCH. SHE IS THE OLDEST RESIDENT IN THE AREA - NOT A BAPTIST THO + NEVER ATTENDED HICKORY GROVE BAPTIST CHURCH.

AM NOW TRYING TO FIND OUT IF THERE ARE ANY OLD CHURCH MINUTES. THIS COULD GIVE VALUABLE INFO.

AFTER YOU TURN OFF HWY 39 ON THE HAVY ROAD TO THE BASE YOU CAN SEE GRAVES IN THE CEMETERY.

NOW RE PONTA SCHOOL. SECOND HAS IT AS BETWEEN OLD + NEW HWY 39. BUT IN MY CHECK OF SCHOOL RECORDS I HAVE IT IN THE SW CORNER SECTION 14 T8 R16W IN 1904-05. WHICH PUTS IT CLOSE TO WHERE MRS TINSLEY LIVED. THE POSSIBLE ANSWER TO THIS W: WHEN FIRST STARTED THE SCHOOL WAS NEARER LIZANIA. MRS ROGER REMEMBERS BEING TOLD IT WAS STARTED IN AN OLD REPAIR BUILDING. COULD BE - THEN LATER A BUILDING BUILT IN SW CORNER SECTION 14.

RE THE KITTRELL CHILDREN'S SCHOOLING

Mrs. Tinsley - Was something like Aristocracy in that area.
She had a private school in her home.
She asked John Robert, Minnie and Lillie to attend the school.
The Kittrell children went from her school to Cooper Normal School.

John Robert Kittrell was a good friend of one of the Tinsley daughters - a spinster - and used to go to visit her.

You could sit on Mrs. Tinsley's front porch and look down the hill at Hickory Grove Cemetery.

The cemetery was owned by the church.

An Air Base was formed during WWII. ?
It took over the church but did not take over the cemetery.

The church was 1st moved and then torn down.

John Robert Kittrell very much wanted a pew from the church - but he did not get one.

Goat Hill?

The Navy moved out around cemetery

FAIRVIEW MALE AND FEMALE COLLEGE

BINNSVILLE, MISSISSIPPI

Don't bother looking for Binnsville on a Mississippi map. I understand it simply is not there.

I became confused trying to write the directions as my sister gave them over the telephone. She will send them to me in writing. The directions are something like due north of Meridian on highway # something or another - and then turn east on highway # something else - something like, in the direction of Shabuda (?). Continue literally to the Ala. state line. On the state line is a small country store with one gas pump. That's Binnsville. Fairview College has long since gone the way of all good things. However, the elderly gentleman at the little store, whom John Robert Kittrell and daughter Grace interrogated, said that his house was a Fairview College dormitory. He had no further information to give.

The gentleman suggested that John Robert go across the state line into Alabama and talk with someone who could probably give him some definite information.

John Robert and his daughter followed his directions - but were never able to locate the gentleman with whom they were supposed to talk.

It is rather interesting that John Robert should have waited so late to make this sentimental journey.

RE THE "LOG" HOUSE AT DALESVILLE, MISS.
THAT TURNS OUT NOT TO BE LOG.

The "Log" House was NOT a log house at all - but a small FRAME house.

Grace Kittrell (Irby) can not believe she said the house was made of "logs" - but she certainly did.

The house is small - it consisted of 4 rooms.

The house is on "Main Street" -

It is across the street from the site of the old Cooper - which is now the location of the "monument" -

and "down or up" the street less than 1 block - more like $\frac{1}{2}$ block.

It is Grace Kittrell's impression that standing in front of the "monument" and looking across and down the street - you can't miss the house.

According to Grace Kittrell (Irby)'s best recollection, the little house has always been occupied.

RE THE LAND OF NATHANIEL KITTRELL

AND

JOHN WASHINGTON KITTRELL

When John Robert Kittrell and his daughter visited Hickory Grove cemetery, they went "down the road" "about a mile - or maybe just $\frac{1}{2}$ " - to the land that belonged to his grandfather, Nathaniel Kittrell, and his father, John Washington Kittrell.

According to John Robert Kittrell, you could sit on the front porch of both houses and look at the cemetery and the church.

With the cemetery at his back, John Robert first went to the right "side of the road" which was the house his father, John * Washington Kittrell, built.

Then he went "across the road" - and exactly opposite was the "big house" his grandfather, * Nathaniel Kittrell built.

That was the house where John Robert Kittrell was born.

In that area there was a road sign that said something like:

"LIZELY"

LIZELY

That is probably not correct - but it is as close as 90 yr. old Grace Kittrell (Irby) can remember.

John Robert Kittrell said that all that he remembered as a child was built around the church and the cemetery.

They lived AT
Lizely
Co. of Danville

MORE ABOUT LAND

According to John Robert Kittrell,
Richard Weatherford - son of Chief
Weatherford Red Eagle and his Indian
"Princess" wife - and his wife,
Lucinda Furlow, lived within a mile -
or probably more like $\frac{1}{2}$ mile - of
Nathaniel Kittrell.

(In reading the 1840 Lauderdale County
Census, I became so excited over
Nathaniel Kittrell and his household, that
I forgot to look for Richard Weatherford.)

Nothing is known re the household of
Richard Weatherford and Lucinda Furlow
except that they had a daughter, Martha
Ann Weatherford, who later married John
Washington Kittrell - and bore John
Robert, Minnie and Lillie (twins)
Kittrell - as well as 5 others who died
in childhood.

Richard Weatherford and Lucinda Furlow
also had a son - named, or called, "Dock"
who later married John Washington
Kittrell's sister, Ann Kittrell. "Dock"
Weatherford later became the grandfather
of John Weatherford - who with his wife,
Colleen, lived on the gulf coast. John
Weatherford died in the early '80ies. His
wife is still living at Gulfport, Miss.

Nothing more is known re Weatherford off-
spring.

It is assumed that Richard Weatherford
and Lucinda Furlow were buried near their
home - in Hickory Grove Cemetery.

FAMILIES AND FRIENDS

As John Robert Kittrell and his daughter, Grace, made their yearly pilgrimage to Lauderdale County - and particularly to Hickory Grove Cemetery, John Robert pointed out spots familiar from his childhood.

According to daughter Grace, her father never talked about his home, his family or his growing up years. Such behavior is not only weird and unnatural - but is certainly unfortunate. He must have known his grandfather Nathaniel well - and could have left the most intimate bits of information re early Lauderdale County.

John Robert Kittrell did say that all that he remembered well from his childhood was located around the cemetery and the church.

Certainly the Kittrells, the Weatherfords and the Moores lived near each other - and near the cemetery and the church. These families that started as friends - later became inter-mixed as the next generation of boys and girls married.

Which was the chicken and which was the egg?
Did the families settle in that locale because the church and cemetery were there - or did the cemetery and church come into being because the families were settled there?

CHARLES JEROME KITTRELL

Jerome Kittrell reported that his parents died when he was very young and he knew little about his family's history. I felt sure that there was a connection between the two lines and Jerome and I have set out to learn as much as possible re the early Kittrells in Lauderdale.

From a (Kittrell) Aunt, Jerome knows that his great great grandfather came from S.C. to Miss. (date unknown) and that his great grandfather, John Chester Kittrell, was born in Lauderdale County 1837/38. John Chester was buried in Hickory Grove Cemetery. The grave marker gives no date of death.

The above follows so closely the account of John Robert Kittrell re his father, John Washington Kittrell, that it was hard to believe that there was not some connection.

In the 1840 Census, Nathaniel Kittrell was the only Kittrell reported in Lauderdale County. His household contained 2 males under the age of 5 yrs. - and 2 females under the age of 5 yrs.

I have not yet received the 1850 census. However, it seems a good guess that the 4 children - under the age of 5 yrs. - include 1, or even 2, sets of twins.

I am guessing that the 2 little boys were John Washington and John Chester Kittrell.

Nathaniel Kittrell (I have never heard any name except "Nathaniel")
was born in Orangeburg District, South Carolina
c. 1810 (date unknown)

He migrated from South Carolina to Mississippi in the
early 1830ies when he was in his early 20ies.

If he had been married in South Carolina, John Robert
clearly knew nothing about it.

Nathaniel Kittrell married Tabitha Coats in Lauderdale
County, Mississippi (date unknown)

based on the 1840 census, it would seem that they must
have been married around 1835 or before.

I know nothing re Tabitha Coats except the name. Assume
her family lived in Lauderdale Co. but do not know so.

Tabitha Coats was born in South Carolina (whether Orangeburg
District is not known) (date of birth unknown)
born: probably c. 1820+

not know the names of those 4 children under 5 yrs.

The Elisha Kitrell (32) born Miss., 1838 living next door to Nathaniel Kittrell (in the 1870 Census) does certainly look like the other of those 2 male children under 5 yrs. in the 1840 Census. (The 1850 Census will surely give the names of both.) If the 1st 2 sons of Nathaniel were John Washington and Elisha - where in the h-- is John Chester (born in Lauderdale Co. in 1837?) I found only 1 Kittrell in Lauderdale Co. in 1840 and that was Nathaniel and his household of 9.

It looks like Nathaniel had 4 sons:

John Washington	1836	The 3: Elisha, Calvin R. and William W. might explain the sharp increase in Kittrells in Lauderdale Co. I wish I knew who E.B. was. I don't see any name that looks even vaguely like those initials.

I have never heard any suggestion that Nathaniel Kittrell ever married but once. But then obviously I have heard very little about Nathaniel Kittrell except that he came to Miss. as a young man from S.C., that he settled in Lauderdale Co., married in Lauderdale Co., lived and raised a sizeable family in Lauderdale Co. and died and was buried - no one seems to know where.

John Robert Kittrell was certain that Richard Weatherford and his wife Lucinda Furlow (both born and also married in Ala.) lived less than $1\frac{1}{2}$ miles from Nathaniel Kittrell and the two men were friends. (It would seem that Richard Weatherford - son or grandson of Chief Weatherford Red Eagle and his Indian "Princess" wife - had returned to the village lands of his ancestors and lived there the remainder of his life.) There was no connection between the Kittrells and the Weatherfords except friends and "neighbors" until their children married.

I feel equally sure that there was no connection between the Kittrells and the Tinsleys except that they were neighbors. John Robert attended the private school in Mrs. Tinsley's home and he and the Tinsley off-spring were friends. He maintained the friendship with only one - a spinster daughter.

From the description I have been given, it is my understanding that the Weatherfords, the Kittrells and the Tinsleys all lived fairly close to the Hickory Grove Cemetery and Church. I assume that in that day, anyone within a couple of miles would have been called "neighbors".

John Washington was in the army during the Civil War
and was a prisoner of war somewhere in the north.
He drew a small confederate pension - something

The Civil War evidently explains the 5 yrs. between
the 1st 2 off-spring, Frances Lenore and John

John Washington evidently

Except for the stint in the Confederate Army, there is no indication that John Washington Kittrell ever lived anywhere but in Lauderdale Co. - within sight of Hickory Grove Church and Cemetery, until he and his wife moved to Myrick in 1895.

According to John Robert Kittrell, his father's house was "across the road" from his grandfather's house - and both were in sight of the church and Hickory Grove Cemetery. (It is assumed that John Washington's land was given to him by his father but John Robert Kittrell did not say so.) He did say that he and his brothers and sisters were all born in the grandfather's home - so John Washington's house must have been built later.

In March 1896, John Robert Kittrell completed his (internship) apprenticeship and he and his wife and 6 wk. old son, John Moore (my father) went to Myrick community (I think in Jones county) for John Robert to begin his medical practice. Shortly there after, John Washington Kittrell and his wife, Martha Ann (Amanda) Weatherford moved to Myrick to be near their son. They had their own house near their son and did not live in the home with him. How John Washington Kittrell disposed of his land in Lauderdale County is not known.

In 1908 John Robert Kittrell and his wife, Lilly Moore, and their 4 children moved to Laurel so that the children could have proper schooling. They bought the home at 1038 First Ave. and it is still the Kittrell residence today. The daughter Grace and youngest son Robert occupy the home. When the John Robert Kittrells moved to Laurel, John Washington and his wife moved also. They had their own home near by and did not live in their son's home.

John Washington out lived his wife by 2 yrs. He was then 80 and it is understood that the last 2 yrs. of his life he did live at 1038 First Ave.

In short John Robert Kittrell lived in close contact with his mother and father almost every day of his life - except when he was in medical school - until he was 50 yrs. old. That he "never talked about his parents or his home" - and further seemed to know little personal about them can only be described as weird.

6

The Kittrells were a family who talked constantly and John Robert was famous for his little stories about a wide assortment of interesting people he had met here, there and yonder - but as a grand daughter, I can testify to the fact that I never once ever heard him talk about his parents - or his grandparents.

On the surface they all sound like good, hard working, upstanding people. As a clinical psychologist, I just assumed that - for reasons I will surely never understand - they simply did not like each other very much.

John Robert Kittrell talked at table about himself and he told little stories about his and Lilly's courtship - but his stories were generally about medicine and his medical practice - or about people outside of the family.

The Tinsleys were "neighbors", church friends and school mates. It is interesting that, on his yearly jaunts "home" John Robert regularly visited Old Friends.

Every year he drove back to Hickory Grove Cemetery to check on the large grave marker for the 5 little Kittrell children. When he was much older and did not drive, his daughter Grace drove him. Only one of the children lived to 14 yrs. The others died at 3 or under. Such concern for siblings he certainly did not know - yet all claim to have no idea when Nathaniel and Tabitha Coats died - or where they were buried. If John Robert was correct that his grandparents lived within sight of Hickory Grove Church and Cemetery, it would seem reasonable to assume that they were buried there.

The trips to Dalesville and Binnsville had nothing to do with family - but rather John Robert's and Lilly's experiences separate and apart from family.

I know nothing to be gained by trying to speculate re the causes for such family indifference - but it is a fact that the Kittrells showed as little family feeling as any I have ever encountered. This same disinterest is shown by the siblings.

Whatever the problem was, it clearly had to do with the parents and their relationship with their off-spring, because John Robert had - and showed - great love for his 2 living twin sisters and for their children. After Lilly's death, the remaining twin came to live in the home with her brother and was cared for by the daughter Grace and her husband.

John Robert spent his childhood in his grandfather's home and in his father's home just "across the road" from the Grandfather. Yet almost nothing is known re John Robert's growing up years.

It is known that John Robert attended school in the private school in Mrs. Tinsley's home - near his own home. But it is not known how long he attended that school - or whether he also attended other schools.

It is known that John Robert and his twin sisters, Lillie and Minnie attended Cooper Institute/Normal College - but it is not known for how long or precisely for what years.

It is a fact that while attending Cooper, John Robert and his sisters lived in a small frame house across the street from the school and down a half block or so - a house that John Washington Kittrell built for his children. (Jim Dawson referred, in his notes, to John Robert's living at Dalesville while he was teaching school. That would seem to indicate that John Robert did not return to his father's home after he finished school - but continued to occupy the small house that had been built for him.)

9

It is a fact that John Robert and his sisters are listed in the Roster Of Students at Cooper in 1886. (This seems a contradiction to the fact that "J.R. Kittrell was paid \$114.00 for teaching school - 1886-87 - name of school not given.) This can be explained only if one assumes that John Robert taught while finishing the teacher's course at Cooper.

From the notes sent by Jim Dawson it is definite that John Robert was actively teaching from 1887 until he entered Medical School at the University of Tenn.

Whether John Robert had any contact with his parents and home during these years is simply not known since there was never any reference to them.

Clearly John Robert was not the J.R. who married Alice Weston in 1877. At that time he was only 11 yrs. old. I think it is safe to say that John Robert Kittrell married only once - Lilly Moore - and they had been married some 67 yrs. at the time of Lilly's death.

John Robert attended the U.T. Medical School, completed the apprenticeship (internship) and around the 1st of March 1896, he and his wife and 6 wk. old son (John Moore) moved to Myrick Community for John Robert to begin his medical practice. They were at Myrick until 1908 when they moved to Laurel and bought their one and only home at Laurel at 1038 First Ave. Three Kittrell children: Grace, Hantz and Robert were born while the family were at Myrick.

John Washington Kittrell and his wife Martha Ann Weatherford moved to Myrick to be near their son - and in 1908 also moved to Laurel. They died at Laurel and were buried there.

According to John Robert and Lilly Moore Kittrell, their 1st son, John Moore, was born in Kemper Co. near DeKalb.

Lilly Moore

born: 6 June 1867

In Lauderdale County - near Meridian
grew up in Kemper County near DeKalb.

She was the daughter of John Alexander Moore
and Melissa O'dell Arrington.

Nothing is known about Lilly Moore's home and family
and/or her growing up years except that she had
6 brothers and sisters. Lilly Moore talked no
more about her parents and grandparents than did
John Robert - and Lilly's off-spring insist
that they know nothing at all about their grand-
parents in spite of the fact that they lived in
the home at 1638 First Ave. for many years until
their death. Grace Kittrell must have been 20+
when her Moore grandmother died and yet she claims
to know nothing at all about her.

Nothing is known about Lilly Moore's growing up years
except that she was educated at Fairview Male
and Female College - Binnsville, Mississippi.
She must have taught school for some 6 or 8 years.

She and John Robert were married May 1894 at DeKalb.

Lilly taught school as Mrs. Lilly Moore Kittrell
and then in March 1896 Lilly and John Robert and
their 6 wk. old son moved to Myrick.

The baby, John Moore, was born 13 January 1896
in Kemper County near DeKalb. It is assumed that
Lilly's parents were in Kemper County near DeKalb -
and perhaps this is where Lilly spent her pregnancy.

Lilly Moore died: 21 April 1962

At Laurel, Mississippi

She was buried: Hickory Grove Cemetery

Kittrell Plot

Laurel, Mississippi

At the time of her death, Lilly Moore and John Robert Kittrell
had been married app. 67 yrs. Lilly Moore was 95 yrs.

As I type this I think of questions I would especially like to know the answers to:

1. When and how did Nathaniel Kittrell obtain his land?
2. Is there a recorded deed?
3. Did Nathaniel Kittrell leave a will?
4. When and how did John Washington Kittrell obtain his land?
5. Is there a recorded deed?
6. Did John Washington Kittrell leave a will?
7. How did John Washington Kittrell dispose of his land when he followed his son to Myrick in 1895?
8. When did Nathaniel Kittrell and Tabitha Coats die and where were they buried?
9. Is there any indication of what Nathaniel Kittrell and John Washington Kittrell did to earn a living?

Where deeds and wills and marriages are recorded, I would very much like to have a photostat copy if that is possible.

Laurel Church Is Honoring Dr. John Kittrell Today

By LAUREN SCOTT
Star Correspondent

LAUREL, Miss. — The First Methodist Church of Laurel is today observing "Dr. John R. Kittrell Day," honoring Dr. Kittrell, who yesterday celebrated his 93rd birthday.

Dr. Kittrell, still a regular attendant at morning services of the church, is its oldest member. He has served on the official board of the church since coming to Laurel in the early 1900s and along with his wife, who until her death in 1962, have reared their family in the church. He is presently an honorary member of the board of stewards.

Dr. and Mrs. Kittrell were the parents of four children: Dr. John Kittrell, deceased; W. H. Kittrell, Montgomery, Ala.; Robert Kittrell, Yuma, Ariz.; and Mrs. Grace Kittrell, B. I. City, Miss. They, along with her husband, made their home with Dr. Kittrell on First Avenue was a first grade teacher in the Laurel City Schools for a number of years until she retired. She also served as organist for the First Methodist Church for a number of years.

WWI Veteran
During World War I, both Dr. Kittrell and his son, the late Dr. John Kittrell, served in the U.S. Army. He was stationed in San Antonio, Tex., where he held the rank of Captain in the Medical Corps and was on route to New York for embarkation when the armistice was signed Nov. 11, 1918.

of his eight sons are veterans of World War II. He is a member of the Laurel Foundation, and as a result of his

DR. JOHN R. KITTRELL

William area, with his wife and young son, John, came to Myrick, some six miles east of Laurel in 1900, where he hung out his first shingle. Arriving on the newly constructed New Orleans and Northern Railway, they disembarked at Sandersville, and continued their trip by horse and buggy to Myrick.

Myrick was then a bustling settlement composed of churches, stores, and a general store. In the late 1900s, however, the population fell for fever, malarial and other diseases and epidemics and epidemics in the spring. "Then the blood", were prevalent.

he was the son of John Washington, studies at Cooper's Institute, becoming a teacher at Laurel, who lived near Lockhart, for a few years. While teaching school, his early education was from attending at Iron Springs School, in Forcross, Miss. Willie Tinsley, Nashville County, he met his wife, who was teaching the children of John Miss Lily Moore, a native of the locality in the home of a lander estate County, but who was neighbor.

Went To School

Later he attended at Cooper's Institute, a boarding school, he entered at Danville, Va. himself was a day pupil, waiting several miles each day to the school. He recalls that one night, when he should have been studying for an examination, he and a group of young people "waited away the hours", playing cards. When he returned to the school and told the examination, he was expelled for a time. He was subsequently returned to the school and told the examination, he was expelled for a time. He was subsequently returned to the school and told the examination, he was expelled for a time.

Miss Moore was employed to act as his assistant teacher at the school. In fact he and the pretty assistant teacher were married May 17, 1904, and she recalls that one night, when he should have been studying for an examination, he and a group of young people "waited away the hours", playing cards. When he returned to the school and told the examination, he was expelled for a time. He was subsequently returned to the school and told the examination, he was expelled for a time.

In addition to his wide practice among Typhoid fever patients, and the general practice as a family doctor, he had a wide medical practice. He has been coming to the county that he couldn't expect much obstetrical business as it was largely a "do-it-yourself" with perhaps the help of a midwife business, but that he has delivered counties, Jones County babies.

His feelings for intoxicating liquors are abate, the same time. Dr. Kittrell says "I am not a radical on whiskey, but since becoming a grown man, I have never had a drop of liquor in my mouth and there has never been a drop in our home."

Dr. Kittrell received his medical training at the University of Tennessee Medical School, then located at Nashville. He is one of the few possessors of a transcribed Golden "T" — awarded by the university on his fifth anniversary of practice.

Asked if he kept a record of the number of babies he had delivered, he said, "No, I didn't realize then I was making history, but it was lots of them." The observance of "Dr. Kittrell Day" will be quiet and restrained, due to his advanced age, friends here said.

Armorial Bearings

Asure: A Lion passant or between 3 mascles of the second.
Crest: On a chapean asure, turned up ermine, a wilde cat
stantant proper.

The Kittrell family in America decends from a very ancient and notable family who originally spelled the name Caterall. We have not traced the family back of Edward I. There is no doubt, much history of the early branches and derivation of the family, but references are rare.

The American Kittrell family descends from the old Lancashire family of Catherals (also speilled Catternal and Caterals).

The early Cateralls were established in Lancashire at a very early date; just how long is not certain, but it was previous to the reign of Edward I. They bore for arms Asure: three mascles' or.

One cadet branch became established about the time of Edward III in Yorkshire, at Rothmel, and from this again a Collateral branch. The Cadet branch from which the American Kittrells are descended, stems out from John Caterall or Cateral, he apparently spelled his name both ways.

In the reign of Edward I, he became established on the Welsh border as one of the retainers of the Lords of Chester. The Welsh border in Heraldic service. The Welsh connections explain the frequent spelling with the "Mac" prefix. Although there is some Welsh blood in the later Catherals, their name is purely English.

To this John Catheral a difference of arms in the form of a passant lion was awarded for gallantry against the Welsh. The Arms of the Catherals.

John Catheral (or Cathral) had a son: Willaim Catheral, alias de Horton, who married an heiress and was a personal friend of Edward II. He had issue: 1. William Catheral 2. A daughter 3. A son. William Catheral had issue:

1. David (Time of Edward III) who had issue:
 - A. John (Time of Henry IV) who had issue:
 - (aa) Ralph (Time of Henry VI)
 - (bb) Another son

Ralph Catheral had issue:

1. Hugh (Time of Edward IV) who had issue:
 - (a) John (Time of Henry VIII)
 - (b) a son (c) a son (d) a daughter
 - (e) a daughter

John Catheral, was also called Jenkyn Catheral or Kittrell, and John Catherod and is illustrated of this confusion of the spelling of names in that period. He had issue: John Catheral (time of Henry VIII) was called Jenkyn.

John Catheral of the time of Henry VIII or Jenkyn Catheral had issue: 1. John of whom this sketch is traced. 2. A son 3. A daughter.

John Catheral the third of that name died in 1658. This is the first definite date in regard to the family. He upheld the Cavalier Cause in the wars of Charles I and Parliament, and as a result, he was mulated of a large portion of his property. However, he continued to live at Horton after the Cessation of hostilities. He had issue: 1. John of whom we are interested. 2. A son 3. A daughter 4. A daughter.

John Catheral was living in 1663, as is proven from the "Visitations" but little more is known about him. He had issue: 1. Dutton of whom we are interested and of whom it seems begins the American family history.

Dutton Catheral was born in 1662. As the eldest, he inherited the family estate and name and also the family tradition of loyalty to the Stuart Cause. When the Revolution of 1688 broke out (which unseated James II and placed William of Orange on the throne) Dutton was consequently on the wrong side; unable and unwilling to follow James on his hurried flight from the Kingdom, he sold off the family estate and joined James in Ireland. He lived there for some time and finally joined the famous "Flight of the Wild Geese" to France, however France was not to his taste and on the conclusion of peace, he left that country and came to Maryland, where he is found in parish register of the Eastern Shore of Maryland as Dutton Kittrell.

Dutton Kittrell appears to drop almost out of sight, so far as any record is concerned, except that he settled in Maryland. It is likely that he died in Maryland. We do not know the name of this Dutton Kittrell's wife as nothing has been found to give this information.

From the records and references gathered, he had at least one son, although not completely proven by record. We find Jonathan Kittrell was from Maryland and this leads to the idea that he was descended from Dutton Kittrell. Other records from Maryland and North Carolina tend to give this opinion or conjecture that Jonathan Kittrell was son of Dutton Kittrell of Maryland about 1695.

Note: Catheral (Horton Co. Chester, there settled temp. Edward I in consequence of the marriage of Catherall of Catherall Co., Lancaster, with an heiress of Horton. Randeall Catherall, the Heraldic Collector, was a younger son the Horton family). Burk's Landed Gentry, Burk's Peerage, Burk's Encyclopedia and Burk's History of Commoners, found in Congressional Library of English Pedigrees and Heraldic.

Jonathan Kittrell of North Carolina, first generation of definite proof appears in the records of Chowan and Bertie Counties. Little is known of him until 1718. In 1723, in Chowan County, N.C., Jonas or Jonathan Kittrell was living in that precinct. Vol. 25, page 186 N. C. State and Colonial Records. Jonathan Kittrell received a grant of land from the royal government of North Carolina. This was Tuesday, the 31st day of October 1727. (Vol. 2 page 712 North Carolina State and Colonial Records.) Bertie County, North Carolina, Jonathan Kittrell is found in many transactions from 1718 - 1739. His will is recorded in Chowan County, N. C. in 1748. Just who his wife was we do not know. It is most likely that his marriage took place in Bertie County or Chowan County. His issue: 1. Jonathan II whom we will have much later on in this history. 2. John of Bertie County, N. C. carried out in this History. 3. George, who settled

in Granville County, N. C. about 1760 or 1761 as in 1761 he was granted land in Granville County, N. C. 4. Isaac 5. Samuel, who settled in Granville County, N. C. about 1760 or 1762. There were perhaps other children, but no record to the effect.

Jonathan Kittrell of the second generation and second by the name Jonathan was born about 1720 (exact date undetermined). From Revolutionary and Colonial Services, he must have been at least 30 years of age at the beginning of the Revolution.

There is so much history concerning Jonathan's career, it is difficult to know where to begin. He was no doubt a resident of Bertie or Chowan County until 1760. In this year he bought land in Granville County, N. C. at a place now called Kittrell, N. C. in Vance County. (Vance County was formed from Granville). In 1761 he was granted land in Granville County by Lord Granville. Nothing appears regarding him in Bertie or Chowan Counties after this date.

Vol. 22, page 394 N. C. State and Colonial Records "Newhern Dist. N. C., Beaufort County, 1763 - We the undersigned subscribers do hereby acknowledge to have received of Robert Harris, Colonel of Granville Co. Regiment of Militia the sum opposite our respective name in full for our services in protecting the public peace at Hillsborough in September last -- March 24, 1763". Among the names or list appears Jonathan Kitral, Captain, Dec. 24, 1763 and John Kittrall, Ensign. This proves that Jonathan Kittrell was in the service of his country prior to the Revolution.

Vol. 22, Pages 489-490 N. C. State and Colonial Records - "Capt. Kitral, paid soldiers for service thru Robert Harris, Colonel and Again Vol. 22, page 165, same reference. Company commanded by Captain Jonathan Kittrell 1771 -- gives Samuel Kittrell as Lieutenant and Jonathan Kittrell II as clerk." This proves that in 1771 Jonathan Kittrell II had a son Jonathan who was at least 18 years of age as he was serving his country.

From records in office of Secretary of State of N. C. Granville County taken from N. C. State and Colonial Records Vol. 8, page 196, we have, "Know all men by these present that we Isaac Edwards, Jno. Williams and Wm. Bullock all of Granville Co., are held and firmly bound unto Robert Harris, Jonathan Kittrell and Thornton Yancey -- Justices of the Co. of Granville in the sum of one thousand pounds proclamation money. To the which payment well and truly to be made, we bind ourselves, our heirs, Executors and administrators jointly and severally firmly by these present. Sealed with our seals and dated this 17th day of April A. D. 1770 ect."

Jonathan Kittrell II, made his will which is dated 1811 March 18th in Granville County, N. C. Probated 1812. He mentions the following in his will -

My son, Isaac; son-in-law, John Harris; daughter of Nancy Hunt; grandchildren Tabby, Talley, James, Sally, Nancy, Polly, Daughters, Sarah Higgs and Mary Morse, Grandchildren: Jonathan, Sally, Patsy, Eaton, Sol. Alston Kittrell; Eaton Hunter Kittrell; Ann Alston wife of my son Isham, Pathenia-Elizabeth-Isham-Williamson Kittrell; Bryant, Wilburn, Frederick, Mary Blakemore, children of son Jonathan.

This will does not call for Joshua neither does it call for all of his brothers, but it does call for Isham and the heirs of Solomon Kittrell so to prove Joshua a son Jonathan we prove Joshua a brother of Isaac and Isham.

In North Carolina Census of 1790 Granville Co. there appears Jonathan Sr. and Jonathan Jr., Samuel, Joshua.

The proven issue of Jonathan II, and his wife from the records:

1. Jonathan III, married Tabby Bruant (Bryan, later)

5. Solomon married Miss _____ Norman. I think he is of the line which left Granville Co. about 1800 and went to Alabama, Mississippi and Texas, probably the father of Bryant Kittrell. One Bryant Kittrell son of Jonathan III. There were 2 Bryant Kittrells, sons of brothers - Solomon and Jonathan. One of these settled in Mississippi and Alabama and descendants are scattered through Texas, many of whom are quite prominent in the history of Texas and who have been outstanding in that state for a number of years.

Jonathan Kittrell III, lived in Granville Co. N. C. from all records. He was a revolutionary soldier (see sketch of Jonathan II also Vol. 16 page 1099, N. C. State and Colonial Records -- North Carolina Reg. 10, Capt. Mills Co., Enlisted March 8, 1782 Jona. Kittrell, private, served twelve months." From the descent of Mrs. Van Milder Shields of N. C. and Mrs. Robert W. La Lassiter of Oxford N. C. one is let to believe that Jonathan III married a second time - Miss Elizabeth Howse, but we have no record of this marriage except the authority given in their D. A. R. Application. George Rowland Kittrell, son of Jonathan II, (the record of Isaac Kittrell son of Jonathan III, stated that he was a son of Jonathan II and uncle of Isaac (G.K. was). He may have married before coming to Tennessee about 1790, but we have no record of such. We do, however, know that about 1800 or probably as early as 1795, he married Miss Rosa Bryant whose parents settled in Marshall County, Tennessee about the time George R. and Rosa came to Tennessee and settled in Wilson County, Tennessee. In 1826 he was living in Wilson County. Issue:

Major Marion Bryant Kittrell, son of George Rowland Kittrell, born in Wilson County, Tennessee, married three times, first Fannie Kittrell of Smith County, Tennessee. (See Smith County, Tenn. Kittrell line). He then married Matilda Haynie, and third married Ellen Johnson. He settled in Rutherford County at what is now known as Kittrell, a little country place a few miles from Murfreesboro, Tenn. The authoress' father knew Major Kittrell years ago and I get my records here from the graveyard. The old home, and from my father's recollections as well as other information collected. Major Kittrell is buried in the cemetery in Murfreesboro. Only a few weeks ago I was there and saw the stone of Marion Kittrell.

Issue:

1. Fannie, married Spencer Talley. She had Bettie who married Mr. Walker and Carrie who married Fanning Glaor or Olga.
2. Laura, married W. C. Houston and died leaving 3 sons: W.C. Houston was Congressman from Cannon County, Tenn. for years. He is now deceased. Judge Houston married a second time and lived at Woodbury, Tennessee. Judge Houston and Laura Kittrell, his first wife had: 1. W. C. Jr. 2. Frank 3. S.F. of Nashville, a banker
4. Richard H., born near Lebanon, Tennessee (not certain that he is a brother to W.C. and Frank)

One Richard H. Kittrell, son of Marion Kittrell born in Wilson County, October 23, 1850. His mother was Matilda Haynie. He married Mollie Shuh June 19, 1889. He was a Democrat and prominent resident farmer of Cannon County and Rutherford County, Tennessee. He is buried in the city Cemetery in Murfreesboro, Tennessee.

Isham Kittrell, son of Jonathan II, was born 1759 in N.C., Granville Co. He married Ann Alston Hunter, daughter of Martha Alston and Isaac Hunter of Carolina. One authority gives this as Ann Alston while others considered more authentic, give it Ann Alston Hunter. Isham and Ann Kittrell left N.C. and settled in Montgomery Co. Tenn. where we find much in the records of their descendants. The facts are that in 1794, Isham and his family came to Sumner Co., Tenn. from Granville Co., N.C. In the records of Sumner Co., Tenn. book of deeds #2, page 357 is given a deed of purchase of land of Isham Kittrell which shows he was from Granville Co., N.C. and that the deed was registered in both Duplin Co., N.C. and Sumner Co., Tenn. (Sumner Co., Montgomery Co., and Davidson Co., were the first three counties of Middle Tennessee. All 3 join and it is often that persons settling had their transactions recorded in the county seat nearest their location and it was not always the seat of the county in which they lived. This fact is accredited to the facts that both Sumner and Montgomery Counties have records).

Isham Kittrell married about 1779, Granville or Warren Co., N.C. Family records prove that Isham only lived a very short time after the arrival of the family to Tennessee. Then in 1809 Ann is found to purchase land in her name in Montgomery Co., Tennessee from Mr. Minor of Huntsville, Alabama. It is supposed that Ann had gone to Montgomery Co., or nearer to her husband's brother Isaac's family who had settled in Montgomery Co. Sometime after 1800, Ann, widow of Isham, married a Mr. McGowan of Montgomery Co., Tennessee. The exact date of her death is not determined between it was between 1812 and 1820, and evidently in Montgomery Co. as that was her home during her last marriage. Isham and Ann had six children of whom we have record, all born in N.C. except the youngest who was born either just before they left N.C. or soon after their arrival in Tennessee. From the deed of the land purchased by Isham it is supposed this child was born in N. C. Isham died in Sumner Co., Tennessee in 1799. Ann Alston Hunter was born in Warren Co., N.C. 1762. Their issue:

1. Jonathan
2. Sally
3. Patsy
4. Eaton Hunter

5. Solomon Alston, who was born 1788 in N.C., Granville Co., married Mary Ann Brodie or Browdie daughter of Dr. John Browdie of N.C. The Browdie family had migrated to Montgomery Co., Tennessee along about the time of the Kittrells and they had come from Granville Co., N.C. in Hillsborough District sometime after 1790 and before 1800. It is very likely that Dr. Browdie took Solomon A. Kittrell, the son of his friend of their former home in N.C., to educate him in the medical profession. You will see from the records following this sketch, that Solomon Alston Kittrell was a doctor, as was his father-in-law, Dr. John Browdie of Montgomery Co., Tenn. (later)
6. George Hunter Kittrell, who was born in 1792-3. He was a soldier in the War of 1812. (Later)

Solomon Alston Kittrell, son of Isham, was as has been said, a doctor in Montgomery Co., Tennessee. In Montgomery Co. records the first transaction found wherein his name appears, was in 1809 where he purchased from William Tubbs land which is recorded in Book of Deeds I, page 635. Solomon married a daughter of Dr. Browdie in about 1805. (Marriage bonds 1805-6-7-8 and some other few scattered dates are missing on account of fire in this county some years back, such records as were preserved from this fire are filed in the Court-house at Clarksville at this time, but a few of the years and packages of bonds of certain years were not saved. The records of 1800-2-3-10 and many others are now filed in the Clerk's.) Issue of Solomon A. Kittrell and his wife, Mary Ann Browdie Kittrell:

1. Ann T., married Mr. Harrison and lived in Montgomery Co, Tenn.
2. Mary Ann born about 1807 in Montgomery Co., Tenn. It is not known who she married but she may have married John Kittrell. (This however is supposition)
3. Martha Elizabeth, born in Montgomery Co., Tenn., 1809, married Rev. Finch Philip Scruggs of Williamson Co., Tennessee.

Martha Elizabeth Kittrell, daughter of Solomon A. Kittrell was married in Montgomery Co., Tennessee to Rev. Finch Philip Scruggs, in 1826 and it was in Montgomery Co. that they resided for a considerable time until they removed to Northern Alabama and later on West of the Miss. Martha died in 1836 and Rev. Scruggs married again. Among the issue of Martha E. Kittrell and Rev. Philip Scruggs was: 1. He married Martha King Pendergrast (Pendergast, Pendergrass) who was born June 12, 1837 in Madison Co., Tennessee. They married in Texas June 30, 1853 and she died November 24, 1917. Rhoda King Pendergrast descends from a notable N.C. and Tenn. family and from the Love family of Augusta Co., Virginia and Davidson Co., Tenn. Solomon Kittrell Scruggs and his wife Martha King Pendergrast Scruggs were borne issue among which Martha or Mollie Scruggs, born September 20, 1857 and who married September 4, 1884, died February 17, 1907. She married a Mr. Noel Jackson Clancey and they have a daughter, Leslie May Clancey, living in Ft. Worth, Texas.

Kittrell 1st deceased, John Kittrell, sister Jemimia Kittrell, Bro. Stanley Kittrell, Bro. Dempsey Kittrell, Bro. John Kittrell and his son Frederick Kittrell, John Kittrell and Aron Spivey Exec. Test. James Ross, Sela Walton.
6. Louisa married John Kittrell of Granville Co. I think this John to be son of Jonathan II. They married April 10, Bertie Co., N.C.
7. Jemimia

Dempsey Kittrell's will January 27, 1797 proven February 1797. Wife Martha and all my children, executors Aron and Jonathan Spivey Test - Jeremiah Leggett.

Mary Kittrell of Bertie Co., married Alexander Leggett February 2, 1788. Ruth Kittrell of Bertie Co., married Joshua Kittrell of Granville County.

Belson Kittrell married Nancy West August 19, 1803. Elisha Pender, surety. Bertie Co., N.C. I do not know whose son Belson Kittrell was.

Another branch of the Kittrell family of which I have record, although unable to make proven connections with the earlier family in N.C. is that of White County known as the "Preacher Kittrell" line; so called because of the large number of preachers descended from it.

William Kittrell and his sister, Nancy Ann Kittrell were in White Co., Tennessee as early as 1826. Nancy Ann married Dabney Baker of White Co., Tenn. If they had issue I have no record. William married first a Miss Sullivan of White Co., Tennessee and later a Miss Bartlett of that county. By the 2 wives he had issue:

1. Lucy, married Mr. Sparks
2. Ann, married Mr. Cope
3. Rev. John Kittrell who was a Presbyterian minister of Smith Co., and White Co., married Lucinda Nelson and had 2 daughters.
1. Mrs. Walter James of Gordonsville, Tennessee. She was May Kittrell. Rev. John's widow was living with her last I heard of Mrs. James.
4. Rev. Thomas Kittrell, brother of John and also a minister of the same faith. He is father of Prof. Tom Kittrell of Cookeville, Tennessee. Tom Kittrell was in the State Senate only a few years back and is a prominent citizen of Cookeville, Tennessee.
5. Jacob
6. Billie
7. Mary
8. Becky
9. Simon

Another line which is not known with all its early connections with the early family is that of Pleasant Kittrell. His eldest sister was Sarah Williams, one brother William and another Jonathan, another Thomas and a sister Mary. They lived in Granville Co., N.C. and moved to Alabama about Selma, Marion Co., and Greensboro. Sarah Williams married Dr. Goree and Pleasant and the Goree family moved to Texas in 1850 and both died in that state. William and Jonathan died in Alabama. William had three sons, Prof. William Kittrell, Dr. Benjamin and another who was a doctor also. They lived in the vicinity of Black Hawk, Mississippi.

John's son, John R. moved to California in 1851 and then to Nevada where he became attorney general then returned to California and died at Fresno, Calif., some twenty years ago. One daughter, Molly Kittrell Welch died in Fresno, Calif. There were two Welch boys both became lawyers in California.

Norman George Kittrell of Texas was Judge (district) Supreme bench for 20 years. He was a son of Pleasant Kittrell. Pleasant Kittrell was in Legislature from Orange Co., N.C. in 1830 at 25 years of age and member of Alabama Legislature 1847 from Greene Co. He moved to Texas 1850 and Texas Legislature in 1854 and 1858. Norman George Kittrell, Sr., was in Legislature from Texas in 1909. His son Norman, Jr. was in Legislature from his district in 1924. He is living.

It is probable that this line came from Solomon Kittrell but we have nothing to prove this. Pleasant was a son of Bryant Kittrell of Granville Co., N. C.

There are many by the name Kittrell and persons descended from the Kittrell family now living in Tennessee, especially in White, DeKald, Warren, Putnam, Smith, Williamson, Maury, and Davidson Counties Tennessee and in Warren, Vance and Granville Counties, N. C.

All the Kittrell's I have come in contact with descend from the N. C. Kittrell family of this lineage.

Citation issued to:

Nathaniel Kittrell and wife

Ezekiel Daniels and wife

William M. Busby and wife

Allen Wilkerson and wife

Nancy Coats

They were to appear on the 2nd Monday in October 1855 -

recorded
The first date was 2/12/1855 - This was Benjamin Meador
submitting bills against the estate. So soon d in late 1854
or early 1855. Got to get to the 1850 Census records - Great!!
for final settlement of the estate

William J. Daniels was the Probate Judge.

On another document - undated - gave location of
persons and I take it these are his children + possible
some husbands are named

- This is 1855

at the top of the list was

Widow - Landulph. ok how I wish
it had given her given name

On this last list the name Nancy Coats left off
so I figure the Widow name was Nancy Coats
Got to be.

Was glad to find this file. Will soon start with file no 1 + gather info - then on to 2 + so forth

Then Mary Coats alive in 1870 at age 76
to Va 1894 - so J W would have remembered his
grandmother. ~~This is not the document~~

Apparently she was living alone

Sion I signed with ⓧ

There appears to have been only two sons, brothers
of Tabitha + both were in Jones Co in 1855-

Now we know or could guess why J R + J W went
to Jones Co - Laurel etc. They had Coats then their
William + Daniel were brothers to Tabitha and finally
to J R. Tabitha mother remained + died in Lauderdale
Co

Since Sion alive in 1855 - the 1850 Census should
reveal more info plus the 1860 Census

Plan to leave early in the morning + be in DeBolt
about 8:30. Got a full days work there

I am really disturbed about the Wall files. Here found
many of the files Empty. Part of Sion file was missing.
The document - where Ben Meador explained A he admer was
missing. If I had not been for that one small piece of
paper - the citation we would never have known that was
his daughter

After trip to DeBolt + visit with Mrs Dover +
Mrs Weddell I plan to work the Census records
Saturday - So we should have a fairly good picture.
Also went to check original land entry book to pinpoint
Sion Land. Strange no mention of land when estate
settled. Somebody removed documents - Here found there
is a number of Census lately. Have talked to officials
re this. People can take things out even today

Must close - Wanted to get them to you for it
fills in blanks re the Coats. Here not reviewed - Plan to
do this after Saturday.

Time now to go. Agree goes in with me on
Wednesday. It has beauty shop day. I'll be doing my
best tomorrow to get J Rose in somewhere

More later

Dear Mary

It was quite a day yesterday. Worked in Court house until 11 AM - found little - went to Library + found it closed for the day. So no Cemetery records could be checked. Called + talked to Mr. Rex Lemmick a few minutes.

I thought he might write me by + give me the material he has. Told me he'd mail it. He appeared to be doing nicely.

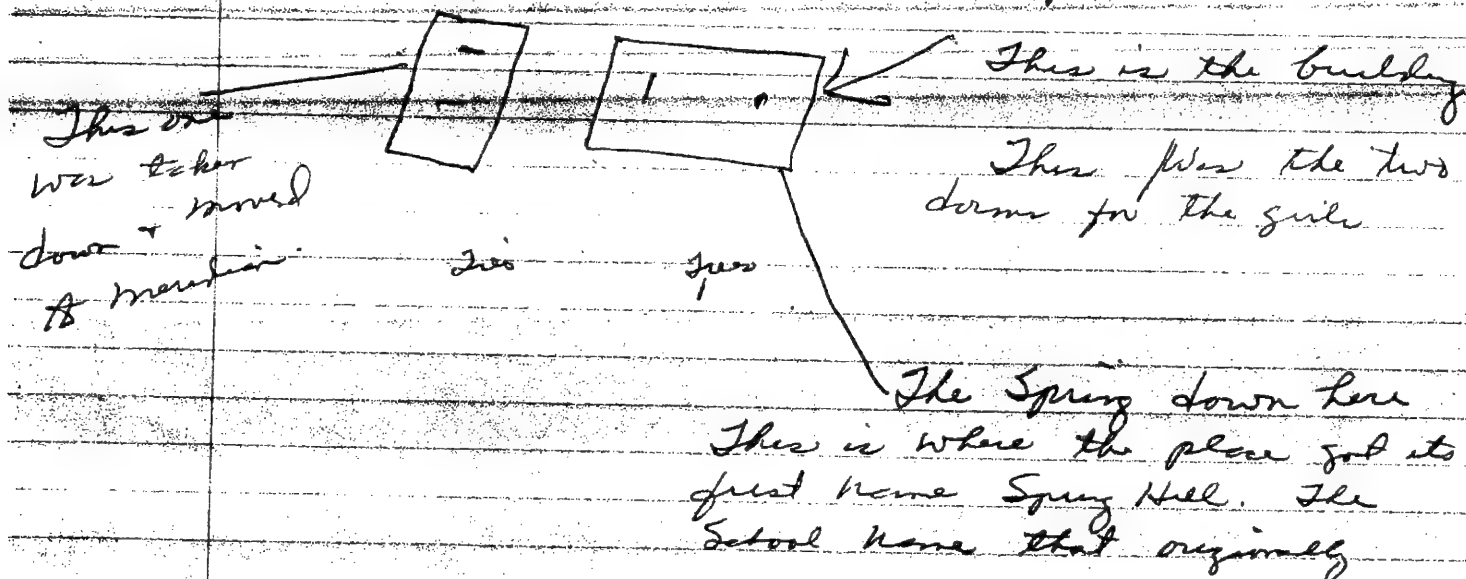

Went back to Daleville. Talked to Mrs. Davis receiving directions to Bill Wright house.

Bill Wright is a retired disabled Navy Chief Petty Officer. He was anxious to talk when I called. We had coffee + talked for 45

He ~~owned~~ owns the land where the house with the dog stands.

I took one look Mary + got really excited. It is not a house that enclosed some of the old girls quarters.

It is the old dorm!! Got to be. The Chimneys are the same as in the picture. The Window - The Cedar trees in the yard are now HUGE. The one picture where you have

Book of Original Land Entries. Landulake Co MS
In checking the land John W Kittrell got on 1/23/1872
under Certificate 5979 in S 27 T 8 R 16 E - This
S 1/2 of SE 1/4 - 80 acres was cancelled. Apparently this
land belonged to the RR and reverted back to same
on 1/6/1881. There all in a very small writing over to
the right hand side of the page

Nearby was H in land - He had two (2) 40 acre
plots - One of the 40 acres had been claimed for an
Indian that apparently never claimed it

C.C. Francis also owned some land that was later
back.

1/9/1836 Allen Francis received 160 acres - Certificate 24029
+ 159 acres under Certificate 15815 - He must have been
Rev. Soldier or Veteran of War of 1812 - Will check more on this in

1/1/1838 Daniel Coats received 40 acres Lot 109 in S 2 T 8 - R 16 E
under Certificate 31053. This Certificate was a
Certificate on Purchase from one of the various Land
offices operated by the government

This land just east of present Daleville

12/9/1836 William Coats issued by Certificate 29763

E 1/2 SW 1/4 Lots 14 + 19 80 acres in S 2 T 8 R 16 E

All this is then or near where Nathaniel lived
William also on 12/27/1836 received another 40 acres
in S 9 T 8 R 16 E - just south of present Daleville

1/1/2/1835 Simon Coates (COATS) under Certificate 19372 received 40 acres
NE SE 1/4 in S 11 T 8 R 16 E. This is front of the Hickory
Horse Cemetery. And on 6/13/1836 under Certificate 27990
he received 40 acres NW 1/4 SW 1/4 in S 12 T 8 R 16 E (just east of land
in S 11).

Nathaniel Kittrell was in S 13 T 8 - R 16 E - 80 acres - East
section 5 of S 12.

All near the lands of Sam Dale

other.

1/12/1848 Parkin y Tarrant in 515 T8 R16E

12/9/1836 Aller Wilkerson in 512 T8 R16E 40 acres

1/16/1835 James R Coats in 512 T8 R16E

This Coats has to be a brother of Sions - We don't know.

10/18/1890 Amanda Coats in Lot 17 40 acres S3 T8 R16E

Later marked through Dalville

This is all very interesting. It would have been nice to have located Nathaniel father

We have Izabathi Parents. Can't see how Wilkerson or Daniel and a Henry J Kittrell? Need to research before any comment.

Willed to his wife Mary on the West side of the County

I enjoyed seeing the well. The iron cooking pot + oven were treasured items in those days. The oven no doubt set over coals & fire to bake bread

Young Coats lived in general area of the Kittrells. You are correct I am fairly sure in your thinking that Nathaniel and others were in SC before they arrived here in Lauderdale Co.

There were no Kittrells on the Kemper Co Census records. I think there are Kittrells buried there and they may be late Kittrells. Hope to check Cemetery lists soon.

The J Ross business is not cleared up yet in my mind.

Miss Waddell was sure there was a son of Nathaniel named Ross. Let's speculate Ross could have been older than J W. He could have had a son J Ross in 1857 - We know he was killed in the Civil War - so J Ross probably with his mother. The Widow Kittrell in 1880 at age 68 b 1812 could have been Josiah's wife. We know Josiah alive in 1875. J Ross mcd Weston in 1877 - she died. He lived with his g. aunt. She needed help - It was close to Nathaniel. This J Ross needed help. Mary, daughter + the Widow helped with her son Robert. This

The 1 female 60-70 in Nathaniel household has to be Nathaniel's mother - since we know Simon Cook's wife + father's mother alive in 1850

We have John's Widow etc in household, her children - so it just leaves the one line of reasoning - the unnamed Widow on 1880 Census has to be the widow of Josiah.

The Jane Kithell b 1825 (35) in 1860 fits with H M b 1848 (I think I reported her as b 1815)

I found no new Westhampstead in the checking of Census records.

If H M b 1848 he would have been 56 years old when he m'd Jane b 1825 would have been 29.

H M probably m'd twice. Calvin 16 in 1870 b 1854. This does not fit with H M + Jane marriage in 1854.

Let's recheck.

Robert R 8 in 1850 - b 1842 - by 1860 he would have been 18. He could not have been father of Calvin R.

We have J Ross 23 on 1880 Census b 1857.

Robert R would have been 15.

Am going in circles Mary but I have to do this - (Some of these ages may be off) & reason it out.

I'm sure I was Robert Ross who died in Civil War. The Calvin R b 1857 has to be son of H M so we will leave that as is.

1860 was b 1859.

William W. b 1856

Wait a minute. Remember the marriage record of the J.R. in 1877 - m'd the Westons. On the record

grandmother Jabbitha died about 1862.

Later J Rose ind seared - Went to Florida where he died. He had also worked on his grandfather's place. These reaped pay in the settling of the estate. He + Nathaniel no doubt were chosen as he named her first child after Nathaniel.

J W. could have labeled him for a share of the estate, since he had worked + was close to Nathaniel - had helped Nathaniel etc - due to loss of his father in the War + nobody knew where he died etc.

It has to be this way or else J W had his own son J R on the settlement. I believe the other children would have objected to that.

J Rose's first child - named Robert Nathaniel. Robert after her own father Robert R (Rose) son of Nathaniel - who was 18 yrs old in 1860. And Nathaniel after her s.f. This all fits if it is so we perhaps will never know J Rose Mother's Name as she perhaps died after the War or she could have died within time frame of J Rose birth.

Nathaniel lost son Robert R + her brother H M in about the same time frame - early 1860 plus his Wife Jabbitha.

I looked hard at H M age again on the 1860 Census. It could very well be 52 then to 1898.

I think it has to be Robert R as he would have been closer to Annandale age - Not an older brother to J W.

The J Rose would have been educated. Nathaniel probably saw to that - as he would have bought the books. The J R bought a number of items.

The Calvin R I feel was the son of H M. Calvin alive in 1870 at age 16. He could have left for Texas by 1880 or a place unknown.

We have J as Robert B age 8 on 1850. yesterday I looked again. It is Robert R. Please change your record.

This fits the Rose family. The name of Robert R. Rose is correct. I believe the other children would have objected to that. I believe the other children would have objected to that. I believe the other children would have objected to that.

in one place it is J.R.R.

J. Robert Ross

Alright. Robert R. 8 in 1850 - 16 in 1860 - but
would be 18 in 1860 if the 8 is correct. Both ages
may be incorrect

What I am saying that Robert R. could be
the J.R. labeled as a son in the settlement and we
don't know how the J. Ross fits in but this doesn't
fit with Ross dying in Civil War

Oh yes this is a tough one. We have to assume
that the J.R. in the estate settlement WAS Nathaniel son. It
is a legal document.

The Robert R. (Ross) is the one that died in the
Civil War. We have no other record.

Now there is room for a J.R.R. to have been
born to Nathaniel & Fabeltha in 1857. This could be
the J. Ross we have at 23 in 1880

Amelia passed it down to her brother Ross
who left for and never returned from the Civil War. He
was near her age.

Nathaniel & Fabeltha were having children at a
steady pace. They experienced some deaths. Like the Mary
M. who must have died. Like they named daughter Mary E.
Somehow J.R. or J.R.R. got left off the 1860 census for
Nathaniel household

Have gone around the world but that is my
best shot at this. Elsie was the only one who moved or
has stayed in the area until her death.

I think you can fairly well assume that
Nathaniel is buried at Hickory Grove

I hope you can see Nathaniel picture. Do you
know Mrs. Davis had never seen that picture. Nat
could pay for a Stateman. Very striking picture
Am pretty sure there were two sets of

THE DESCENDANTS OF RICHARD WEATHERFORD

Richard Weatherford was born October 23, 1801, in the State of Georgia (the family Bible establishes the date and the census reports the state in which he was born). He married Lucinda A. Furlow, who was born in Georgia in July of 1815, on March 3, 1831 (family Bible). The state in which they were married is uncertain but census reports indicate that of their five children, the two older children were born in the State of Alabama and the three youngest ones in Mississippi. They apparently moved from Alabama to Lauderdale County, Mississippi, around 1838. According to the census report of 1880, both of Richard's parents were born in England and both of Lucinda's parents were born in Georgia. This finding rules out a blood relationship of the Richard Weatherford descendants with the Indian Chief William Weatherford (Red Eagle) of Alabama.

Richard Weatherford was listed in the various census reports as either a farmer, a Baptist minister, or both. For the later years of life, he and his wife lived with their youngest son, Willam Gustavus Weatherford in Lauderdale County, Mississippi, during which time Richard suffered from a partial paralysis (census report of 1880). Apparently, both Richard and Lucinda were buried in Lauderdale County near the community of Daleville.
